FROM THE PRINCIPAL.....

In Christ, Wisdom and Knowledge

My goal is that they may be encouraged in heart and united in love, so that they may have the full riches of complete understanding, in order that they may know the mystery of God, namely, Christ, in whom are hidden all the treasures of wisdom and knowledge.

Colossians 2: 2-3

A NEW YEAR BEGINS! Welcome to the new 2017 school year!

I trust you and your family have been enjoying a very restful break and are feeling refreshed! The staff and I are eagerly looking forward to seeing you and to working closely with you and the students this year.

A very special welcome to new families! I enjoyed the opportunity of meeting many of you towards the end of last year and hope you will soon feel at home in the Torrens Valley Christian School community.

Congratulations to our 2016 Year 12 cohort! The high standard of academic achievement obtained last year was a credit to the students and staff, with our students performing well above the best state averages. Students at TVCS attained eighty A grades, with a total of 69.5% of all results being an A or B grade. It was particularly pleasing to see five Merit Awards being earned by our students. Special congratulations to Nathalie Yap (Merit for Research Project and ATAR of 98.25), Taniesha Morton (Merit Award for Research Project and an ATAR of 97.3), Sarah Kociolek (Merit for Mathematical Applications), Samuel Johns (Merit for Mathematical Applications) and Ashlyn Vice (Merit for Classical Studies). A total of 11 students scored an ATAR of above 90. I congratulate students, staff and parents for these outstanding results.

NEW STAFF! As a new year begins, I would like to especially welcome new staff members Miss Stephanie Nelson who will be joining us in Secondary Science / PE and Miss Sarah Severino who will be teaching Year 7 Core Studies as well as undertaking some work in Upper Primary. It is lovely to be able to welcome these new staff members and we pray God’s blessing on them as they serve Him at TVCS! We offer warm congratulations to Miss Courtney Cinc who was married over the break and returns to us as Mrs Kernich! We wish Courtney and Matt God’s richest blessings for the future.

A NEW APP! The Skoolbag is here! And it’s going to be fabulous. Skoolbag will enhance communication between home and school. It will send you reminders of key events and make life so much easier for you as a parent! Details of how to download and use the App are contained inside!

NEW FACILITIES! Our facilities are looking their very best for the start of the new school year! The IT Office has been extensively remodelled and extended and a new customer service area has been installed, enhancing IT support for staff and students. Additional security has also been added in this area. New lockers have been installed in E block and the Middle School stage area has been redeveloped. New fencing has been erected around the property on the corner of Armbuster and Pegasi Ave prior to development of the land for use. Major work has also been undertaken in the Year 3 /4 Primary classrooms, with the area being repainted and carpeted. The Primary toilets have been repainted. And wait till you see the Library! The area is looking very swish!

NEW RESOURCES! Our Information Technology department have been working hard over the break, installing two new servers and formatting and refurbishing equipment throughout the school. New student laptops (Surfaces) have been set-up for all Senior School students and a set of 12 cameras, including two underwater cameras, have been purchased. Room 13 has been refurbished and a set of high performance laptops installed in Room 25. In the Primary School, a set of iPads has been purchased for classroom use, along with Sphero robots and a set of Raspberry pies.

THE NEW TERM! 2017 promises to be an exciting year and I trust that we will all be renewed spiritually as we experience God’s transforming grace in our lives and in the lives of our students.

I look forward to seeing you in the new term!

Yours in Christ’s service, Julie Prattis. Principal.

Invoices for 2017 will be issued in January, April and July. Invoices/statements are e-mailed to parents unless individuals have requested these be sent by post. If you do not receive an invoice by e-mail or post please contact the School to ensure you receive your invoice/statements. Invoices are due by the end of Week 2 of Terms 1, 2 and 3 unless alternative payment arrangements have been made with Mr Gary Johns or Mrs Sharyn Field.

Alternative payment arrangements include:

- direct debits or monthly credit card deductions processed by the School,
- regular electronic funds transfer processed by families using BPay or bank transfers (use your family code first in the reference to ensure fees paid are matched to the correct account), and
- payment directly from Centrelink entitlements. Please see the School for the necessary forms.

All payment plans to be approved by the school. Remember, if you pay your full years Tuition Fees account by Friday, 17 February 2017 (Friday, Week 2, Term 1) you will receive a 5% discount on your fees.

If at any stage you have any queries regarding your school fees account please do not hesitate to contact the School on 8265 2077 or email: accounts@tvcs.sa.edu.au.

SCHOOL CARD - 2017

The School Card discount is NOT automatic. At the beginning of each year you must apply to the Department for Education and Child Development (DECD) and receive official notification that you are eligible before the School can make concessions. To apply for the discount you can collect a 2017 School Card Application Form by enquiring at the School Office. Forms can also be found on-line by googling School Card, South Australia and then printing the appropriate form for your circumstances. Please return the forms for School Card Discount to the Front Office (marked Confidential – Finance) along with a copy of your Health Care Card (Front Office staff can photocopy the card for you if required). If you require any assistance with this process please contact the School and ask for assistance from the Office Staff. Tuition fees will be invoiced at the full rate until such time as official notification of eligibility has been received by the school. Please pay the school card rate by the due date if you are applying for School Card.

SCHOOL BANKING

Our School Banking program is a fun way for your child to develop the knowledge and confidence to handle their money, combining a savings Rewards Program with great activities throughout the year.

If you would like your child to participate in our School Banking program please register your interest at: https://www.commbank.com.au/personal/kids/school-banking.html?ei=bc3

EMERGENCY AND MEDICAL INFORMATION

Up to date family information is required in emergency situations when your child is ill or injured and it is vital that your contact details are kept up to date. It is very important that the Front Office is advised of any changes of home address, home, work and other contact phone numbers.

NEWSLETTERS

The Newsletter is emailed each fortnight on even weeks throughout term time. Items for inclusion should be emailed to admin@tvcs.sa.edu.au. Teaching, office staff, and Parents and Friends work hard to communicate with families through these publications. The Newsletter is also published on our website on Thursday of each fortnight at www.tvcs.sa.edu.au.

FIRST AID AND ACTION PLANS

If your child keeps an Epi pen and/or other medication at school, please bring this in to the Front Office on the first day of school. Please check all expiry dates on the epi pens and medication. If your child has an Action Plan, and you have not already given it to the Front Office, please also bring this to the Front Office on the first day of term. For any First Aid queries, please contact the Front Office.

ANAPHYLAXIS – NUT FREE GUIDELINES

A reminder to all school families that we aim to be a nut-free school to protect those children who have severe (in some cases life-threatening) allergies to nuts. This means no nuts of any kind, no peanut butter, no Nutella or other nutty spreads and no chocolate or biscuits containing nuts may be brought to school.

STUDENT ID CARDS (Year 9 to Year 12)

A student ID card is required for concession rates using public transport, attending sporting venues, movie theatres, concerts etc. The school offers this to service to school aged students 15 years and older (or look 15 years of age) for a cost of $8.00. Should your student require an ID please see the Front Office before Friday, 17 February, 2017, with payment of $8.00 (correct money please). Late or replacement cards will cost $10.00.

PARENTS AND FRIENDS NEWS

The P&F hope you have a wonderful Christmas break and wish you all a Happy New Year. We look forward to another year of serving this very special school community. We will not only have our regular fundraisers such as the canteen and sausage sizzle at Sports day, hot lunches and craft stalls but a new event will be Thirsty Thursdays in term 1. Please see the notice below for further information on what we are sure will be a popular new fundraiser! Mid-year will also see the return of our fun family Community Event. If you have any ideas for fundraisers that you would like us to provide, we welcome your suggestions.

In 2016 the P&F raised over $9000 through our various fundraisers and we wish to thank you for your generous support. This has enabled us to donate funds to the school Welfare Team and Christian Horizon School. The remainder will be donated for various projects throughout the school in 2017. We also give heartfelt thanks to those that have donated their time to help out at the various fundraisers and of course to the dedicated committee members. It is much appreciated.

Support by P&F volunteers was provided at special events such as the Welcome Morning Tea, Open Day, Orientation Day, the Year 12 Graduation and assisting the Leadership Team at Australia’s Biggest Morning Tea.

We look forward to seeing you at the Welcome Morning Tea on 6, February where a warm welcome to the TVCS school community is given. We also encourage you to please join our P&F. New members are always welcome and we would love for you to join us as little or as much as you are able. We also will be asking for your help especially for the canteen at both Sports day’s and for the very popular Hot Lunches to continue in terms 2 and 3.

Our upcoming AGM is on the 29 March at 7 pm and we need new members to continue our current fundraising efforts. There will be positions on the committee to be filled. For further information, please contact us through our email pandf@tvcs.sa.edu.au or through the front office or contact Jude (Coordinator) on 0439 388747.

We thank God for this opportunity to serve and contribute to the school. Warm regards

Judith Osborne (P&F coordinator)

SAFETY REMINDERS

As the new year commences, we want to thank you for your care and vigilance in our car parking areas. The safety of our children is of paramount importance and we remind you to slow down, take care and follow the signage. To facilitate traffic flow, please remember not to park in the ‘Drop and Go’ area. This area is reserved for quick pick up and set down of children before and after school.

Thank you also for the care you take in respecting the safety and privacy of local residents by not parking over driveway areas and taking care if performing a u-turn in Gumtree Drive. Our relationship with our neighbours is important to us and we thank you for respecting property owners in the region. Additionally, we ask that parents do not drop their children off in the Staff Carparks at the back of the school. This car park is not an area for students. The school only has permission for staff to access that car park via the road up to the bowling club.

Thank you for your patience in these important areas for the safety and well-being of everyone in our community.
