A Tribute to our ANZACS

“They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.”  

The Ode

Anzac Day is one of Australia’s most important national commemorative occasions. It marks the anniversary of the first major military action fought by Australian and New Zealand forces during the First World War.

Anzac Day goes beyond the anniversary of the landing on Gallipoli in 1915. It is the day on which we remember Australians who served and died in all wars, conflicts, and peacekeeping operations. The spirit of Anzac, with its human qualities of courage, mateship, and sacrifice, continues to have meaning and relevance for our sense of national identity.

Of all the events in Australia’s history, the battle at Gallipoli in World War I stands out as having defined the spirit of our nation.

Although Gallipoli represents different things to different people, the story of the ANZACs who fought at Gallipoli is one of perseverance and courage in the face of failure and despair.

As part of the Anzac services held by the School we will be honouring the servicemen and women in our community.

The Torrens Valley Christian School ANZAC Assemblies will be held at the Hope Valley Uniting Church on Wednesday 2 May, with a Secondary Assembly at 9.00-9.45am followed immediately by the Primary Assembly, 10.00-10.40am.

We warmly invite you to join us for these special events.

The assemblies will include performances by our students, The Last Post and Reveille, a wreath laying ceremony, an ANZAC reflection by student groups as well as the involvement of our captains and student leaders. We will be joined by war veterans from the Lutheran Homes as well as service and ex-service personnel from our own community!

We pay tribute to our servicemen and women and the sacrifice they have made on our behalf.

‘No one has greater love than this, than to lay down one’s life for one’s friends. You are my friends,’ says the Lord, ‘if you do what I command you.’ John 15:13-14

Yours in Christ’s service,

Fergus McGinley (Acting Principal).

TERM 2 COMMENCES on Monday 30 April 2018
Dear Parents,

A Successful Term 1

Hope you had a successful Term 1. There was lots of excitement, lots of hard work done by students and staff, and many fine achievements. Laying the groundwork for a great Term 2.

Term 1 Reports in both Primary and Secondary have now been published (Secondary parents, don’t forget to download your student’s report from SEQTA, or pop into the School Office for a paper copy). Remember that Term 1 Reports are progress reports, an opportunity mid-semester to give you some detailed feedback on how your student is going, and set some goals for Term 2, especially if it looks like improvements can be made. Primary Parent-Teacher Interviews have already happened, and we have had lots of good feedback about them; Secondary Interviews are on Wednesday and Thursday evenings in Week 1 Term 2 (2 and 3 May) – if you haven’t booked an interview yet through www.schoolinterviews.com.au (event code 5fp24), there are still plenty of spaces.

By the time you read this our Bali trippers will have returned from their fantastic twelve day experience working with the Bali Life Foundation in Denpasar. Congratulations to our staff team – Steve Crocker, Margaret Garland, Rachel Jowitt, Shannon Macaitis and Matthew Tucker – and our sixteen student participants: Ben, Libby, Georgina, Lara, Olivia, Joshua, Tyler, Lachlan, Emily, Jemimah, Joshua, Daniel, Emma, Maddison, Tayla and Bailey. We look forward to hearing all about their exploits.

Have a wonderful break everyone! See you in the new term!

Fergus McGinley (Secondary Deputy Principal)

YEAR 9 CHALLENGE DAY

The Year 9 Challenge, Raise Your Hand is a year-long challenge which includes a series of activities focussing on faith and leadership.

The first activity is the Challenge Day in a beautiful part of God’s creation, Morialta Conservation Park. The day is an introduction to the program, focusing firstly on their life so far – their relationship with God, the people who have supported them, their favourite memories and the things from their childhood that they may be ready to leave behind.

Secondly, the students commit to letting go resentments and reflect on their hopes for the future, the freedoms they would like to have as they get older, the resulting responsibilities they may need to take on and the kind of adult they wish to be.

Students then reflect on what makes a good Christian role model, identify someone who would be a good role model for them and set some goals for the future.

PRIVATE PEACEFUL EXCURSION

As a precursor to our studies next term on World War 1, the Year 9 students went to see a one-man play called Private Peaceful, based on the novel of the same name by Michael Morpurgo.

The play tells the story of Thommo, played magnificently by eighteen year old Ben Francis, who spends his last night in a cell, reminiscing about his childhood, his loves and the terrors of the trenches on the Western Front while awaiting the dawn and death by firing squad.

In World War One, 306 British and Commonwealth soldiers were executed by court martial for ‘offences’, including desertion, cowardice, striking an officer, disobedience, falling asleep on duty or casting away arms.

This play shows the human face of war and is an awakening for those not familiar with the horrors of trench warfare, the futility of war and the injustices served on soldiers by their own superiors. Ben Francis is an extraordinarily gifted actor who, alone on stage, kept our students enthralled for 80 minutes.

Nationally Consistent Collection of Data for School Students with Disability

Our school is again taking part in a national project about students with disability and/or learning needs. We have been asked to provide data about the number and learning needs of students in our school. The name of the school and the name of the students will not be reported. Information about the different types of needs and adjustments used to support students with additional educational needs will be collected. We believe it is important to contribute to this as it will enable all Australian governments to better target support and resources to benefit students with disability.

At the start of Term 2, a letter will be sent to all parents and carers of students who we believe may fit one or more of the broad categories of disability (cognitive, physical, sensory and social/emotional) and currently have adjustments provided for them at school. Please note that this can include students with learning difficulties in basic literacy and numeracy.

Involvement in the Project is optional. If you do not want our school to provide data about your child to the Australian Government Department of Education, you can ‘opt-out’ by completing and returning the opt-out form that will accompany the letter to the school or contacting the school on the number below.

If you have any questions about the 2018 data collection please contact Sandra Tielen-Fry (R-12) on 8265 2077. Further information about the project can be found at http://www.schooldisabilitydatapl.edu.au/

SECONDARY SCHOOL SPORT SA ATHLETICS CHAMPIONSHIPS

Congratulations to our amazing Athletics team, which competed in the SSSSA (State) Athletics Championship on Wednesday, Week 10. This year, we had been promoted to B1 division, facing Modbury, Faith, Temple, St Johns, Scotch College and Golden Grove. The girls also had to compete against Walford Girls School.

In tough conditions (very hot and windy), our athletes pushed themselves to their limits, obtaining several PBs (personal best results) and placing in many of the events. At the half-way mark we were in 4th position, but our students only got better as the afternoon wore on.

At the end of the day, we were pretty confident of gaining a top three finish. When the results were read out we learned the girls had finished in 4th place with 300 points, behind Golden Grove (328), Walford (329) and Faith (337).

Our boys finished in 2nd place with 359 points, only 5 points behind Modbury. This meant we were in with a chance at a top two finish overall. Sure enough, in the final results, we finished 2nd on 659 points, not far behind Faith (690) and ahead of Modbury (635) and Temple (621).

At the time of writing, we are still awaiting official results, so a comprehensive list of place-getters, school record-breakers and those who achieved state standards will appear in the school magazine at the end of the year. Additionally, we are currently unsure as to whether or not our results will see TVCS put into A Grade Athletics for the first time in our history. What an exceptional result! Andrew Loechel (R - 12 PE Coordinator)
