FAMILIES EXPERIENCING HARDSHIP DUE TO COVID-19

Dear Parents,

As a community we are in unprecedented times and the impact of COVID-19 (Coronavirus Disease) is significantly affecting our families physically, emotionally and financially.

At Torrens Valley Christian School we see our relationship with families as a long term one and we know that in trying times we are better when we support one another in kindness.

If you are experiencing financial hardship and are unable to make a school fee payment due to COVID-19, please contact our Finance Officer, Belinda Vandepier-Hamber via email: finance@tvcs.sa.edu.au or by contacting (08) 8126 2200. We understand that times are very difficult for some families and we will work with you to find a solution, where it is reasonably practicable.

At Torrens Valley Christian School, our vision is to see students belong to a caring community. The significant impact COVID-19 is having on our community can be difficult for some families, especially for those who are isolated from supporting friends and family. We know that when we support one another, we become the hands and feet of Jesus. Why not check in on those families within our community who may be isolated or experiencing hardship.

If you have any COVID-19 related questions, please contact us at COVID19@tvcs.sa.edu.au or call us on (08) 8126 2200.

In Christ,

Julie Prattis
Principal
