TRIAL OF OUR DISTANCE LEARNING PROGRAM, SCHOOL AT HOME

Dear Parents and Caregivers,

This Friday we will be conducting a trial of the online delivery of our distance learning program.

Students will receive a pack with resources and instructions at School today. For those children who are not at school today, we encourage you to contact the Front Office.

For Primary School students, your pack will include Canvas Setup Instructions and your child's login information. Mrs Caroline Duell has included a letter which details what distance learning at home might look like should it be required.

For Secondary School students, our teachers have planned the day to reflect their normal timetable. They should login on and connect to their Care Group from 8.40am as per usual school start time. During each lesson, the teacher will mark the roll. Students are already equipped with login details for either SEQTA or Canvas.

On a Personal Note.....

Please know that the staff and I are continuing to pray for you and your family at this time.

We recognise the pressures on families and are upholding you in prayer on a daily basis as you navigate these difficult times.

God's Word reminds us, "Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." Philippians 4:6-7

May God bless and guide you as you continue to partner with Torrens Valley Christian School.

Yours in Christ's service

Julie Prattis
Principal
