

Coronavirus Response

TORRENS VALLEY CHRISTIAN SCHOOL UPDATE 12

4 May 2020

COVID-19 – TERM TWO – WEEK THREE – FACE TO FACE TEACHING

Dear Families,

This letter is to confirm that Torrens Valley Christian School will return to face-to-face instruction for all classes, R-12, commencing Monday 11th May.

Classes will operate on normal timetables and schedules and students at all levels will have face-to-face instruction with their teachers in their normal classroom areas. Specialist lessons will occur as usual, with specialist teachers and facilities.

With the proposed relaxing of some restrictions in South Australia later this week, the school will change from the *School at Home* model back to face-to-face instruction, starting Week 3 (Monday 11th May). This will remain in place, unless conditions change and a distance model of learning is again required.

As a school, we are continuing to respect families who need to have their children at home for medical reasons and these students will be supported, on an individual basis, by request. In this case, Secondary students will be able to access resources and programmed learning activities through the Learning Management System and Primary students will be given learning activities, provided by their teacher to undertake at home. Please note: the *School at Home* program will not be available. Please request support for these activities using this link [Support at Home](#)

I want to take this opportunity to thank you for your patience and understanding as we have navigated the best ways to support your child's learning in this changing COVID-19 landscape.

Please don't hesitate to contact us if you have further queries via our designated email address COVID19@tvcs.sa.edu.au

May God bless and guide you as you continue to partner with Torrens Valley Christian School.

Yours in Christ's service

Julie Prattis
Principal
