

# Coronavirus Response

## TORRENS VALLEY CHRISTIAN SCHOOL UPDATE 13

TORRENS VALLEY  
CHRISTIAN SCHOOL

23 June 2020

### FURTHER EASING OF RESTRICTIONS

Dear Parents and Caregivers,

It is with much joy that I write to confirm the further easing of restrictions, as from 29 June 2020.

In line with recent announcements by medical and Government authorities, the following activities will resume at Torrens Valley Christian School as from Monday 29 June (with strict adherence to government health advice and physical distancing requirements):

- » Parents on site (Please note the specific details attached with this communication)
- » Parent information evenings
- » Intrastate camps and excursions
- » School assemblies (Unfortunately, this will be limited to staff and students only in the initial stages)
- » All school sport competitions, sports days and carnivals, including inter-school competitions
- » Inter-school choirs, bands and other performing art activities
- » School formals and social events
- » Playgroup
- » Larger face-to-face professional learning activities
- » Cash transactions
- » Staff devotions face-to-face
- » Whole school staff meetings
- » Use of Hall by external groups
- » Visits to nursing homes

### To ensure the continued wellbeing of the community, the following requirements remain in place:

- » Students and staff must stay home if they are unwell.
- » Physical contact (even between students) must be limited. Non-physical greetings should be encouraged.
- » The general public should not access school playgrounds or play equipment.
- » Parents must continue to physical distance, including at school pick up and drop off.
- » Interstate and overseas travel remains on hold.

### Physical distancing requirements remain in place

- » All adults must continue to follow the density and physical distancing guidelines outlined by SA Health:
  - » no more than 1 person per 4-square metres in an enclosed space
  - » maintain a minimum social distance of 1.5 metres.
- » The Australian Health Protection Principal Committee (AHPPC) does not believe that it is appropriate or practical for students and children to maintain physical distancing requirements in classrooms or corridors.
- » From Monday 29 June, there will be no cap on the number of people in 1 room, however the above physical distancing and room density requirements must be followed by adults.

I want to take this opportunity to thank you for your patience and understanding as we have navigated your child's learning in this changing COVID19 landscape.

If you have any questions or concerns, please don't hesitate to contact me via our designated email address [COVID19@tvcs.sa.edu.au](mailto:COVID19@tvcs.sa.edu.au) My door is always open to discuss this, or any other matter with you and I look forward to seeing you in the new term.

Yours in Christ's service,

Julie Prattis  
**Principal**
