## 3/4 Boys

### *Team 1*

Team one was coached by Renee and Madison, who were very pleased with the boys' attitude throughout the day. They displayed a pleasing effort and, after a few wins, the boys were pumped and filled with joy and pride with what they were able to achieve. Overall, it was a fun experience they will never forget.

### *Team 2*

The 3/4 boys in the second team were coached by Naomi and Annabel. The team always kept a positive attitude and improved immensely by the end of the day. They were so enthusiastic about playing that they all wanted to be participating at once. After two wins, a draw and a couple losses, the boys were still positive about having the opportunity to represent TVCS.

## 3/4 Girls

The 3/4 girls did exceptionally well! Not only did they continuously keep trying, have a positive attitude and listen, they enjoyed themselves throughout the day and had good teamwork. Overall, they ended up losing only two games, both to the same team, who were the overall winners. Their coaches were Shayla and Erin, who were very proud of how far the girls had come and all they achieved.

## 5/6 Boys

### *Team 1*

The first 5/6 boys team played exceptionally well together and kept pushing on even through the rain and cold. In the minor round they lost just one game, but found themselves down 4-1 at half time in the semi-final. Coaches Aaron and Glen adjusted the team's tactics at half time to focus more on passing the ball to space, and the boys found an extra gear to win in a thriller and put them through to the Grand Final. Unfortunately, they were unable to replicate their heroics from the previous game but still came away with a silver medal and a lot of highlights!

### *Team 2*

The second 5/6 boys team played really well together and kept pushing on even through the rain and cold. We won some and lost some and came third in their pool. Cara and Maddy enjoyed coaching the group, saying they are a great bunch of boys and really surprised them with what they could do when they got on the court.

## **5/6 Girls**

### **Team 1**

The 5/6 girls all brought their best efforts to each game, showing great teamwork and pushing through the wins and losses, as well as the weather. Altogether they played great netball with one another and their skills were used well. Their enthusiastic encouragement for one another continued throughout the day and was greatly appreciated by their coaches, Gemma and Anke.

### **Team 2**

The 5/6 Girls Silver Team was coached by Lily and Chelsea. Although the girls didn't manage to pull any wins, they persisted throughout the whole day and should be very proud of themselves for their efforts. Their sportsmanship was outstanding, and the girls put up a great fight against the other teams. Overall, they represented TVCS phenomenally.
