Introducing the TVCS App

The TVCS App is a dashboard for your mobile phone that connects to all our systems. It is password protected to maintain your privacy and provides **quick access** to information about your child's schooling. This includes a new communication point called '*Parent Updates*' where we will notify you with information that directly affects you or your child. **The app will be available to download from the App Store (Apple) or Play Store (Android) from Wednesday 14 October 2020.**

1
Search 'TVCS' in the App Store (Apple) or Play Store (Android) and download the App.

2
Once downloaded, open the App and login using the credentials provided by the Front Office.

3
Stay informed and connected using the App.

Parent Updates

are a direct, non-intrusive way for us to provide you with information that relates specifically to your child.

Like an SMS, our admin staff, teachers, Deputy Principals and Principal may send a notification here if there is a short message we would like you to read.

We encourage you to keep an eye out for any notifications.

Absentees

allows you to notify us when your child is absent from school. This form is connected directly to our administration system.

Canvas

provides you with easy access to Canvas Parent.

Newsletter

connects you to our school newsletter within the App. Stay informed with all that's happening across the school.

Calendar

gives you access to the school calendar for term dates, events and more.

Forms

connects you to 'Tours & Excursions' in Parent Lounge. This allows you to authorise and complete forms for your child to participate in excursions and extra curricular activities requiring consent.

Links

provides you with all the important links connected to our school.

Parent Lounge

provides you with easy access to Parent Lounge for a more detailed view of all your child's schooling.

Shop

launches the Qkr! App for access to various online payments or ordering.
