

Year 8 German Cake Day:

In Week 7 of this term on Friday the Year 8 German classes had the opportunity to come in at lunch time to try 2 very famous German cakes – **Bienenstich (Bee Sting)** and **Apfelstreuselkuchen (Apple Crumble Cake)**.

Of course, each student had to order it in German which was quite a mouthful!! Mrs Prattis also joined us and also had to order in German, and she did quite well!

Those students who participated thought it was a great experience and quite delicious.

Thanks also to Mrs Martin who picked up the cakes for us on the day.
