

Year 11 German Picnic

The Year 11 German class celebrated the German language and culture by holding a German Picnic on Wednesday 18^h November (Week 7, Term 4) on the oval under the shade of the beautiful, large trees during the lunch break.

Each student was able to enjoy 2 German Sausages (Weisswurst and Viennas), a pretzel and German potato salad (Kartoffelsalat). There were also some traditional German Christmas goodies to sample such as Lebkuchen (Gingerbread) and Stollen (German Christmas cake). Students also got the opportunity to have the German drink Spezi – a mixture of Coke and Fanta.

This was a lovely way to finalise the culmination of several years of studying the German language and culture.

Here are some comments made by the students:

Renee – German pick day was such a fun experience where we got to share a delicious typical German lunch. It was so lovely.

Jacinta – Such a lovely experience as we got to have lunch together as a small German class eating the delicious German food.
